**PARENT GUARDIAN/HOUSEHOLD LETTER FOR NON-PRICING INSTITUTIONS
CHILD AND ADULT CARE FOOD PROGRAM**

Dear Parent or Guardian,

Please help us comply with the federal requirement mandating the annual submission of Program Eligibility Application (CAC 11). This application will be used only for eligibility determination, placed in our files and treated as confidential information. In order for participants and the day care center to be considered eligible for program benefits, an adult household member must complete the Program Eligibility Application for each participant enrolled in the center as soon as possible, sign, date and return it to the day care center. Completion of the application is not mandatory unless you wish to be considered for eligibility as a free or reduced price participant.

If you currently receive SNAP, Temporary Aid to Needy Families (TANF) or Food Distribution Program on Indian Reservations (FDPIR), you are not required to list household income. You may give your SNAP, TANF or FDPIR case number, sign, date and return the application. If a child is a member of a SNAP or FDPIR household or is a TANF recipient, the child is automatically eligible to receive free Program meal benefits, subject to completion of the application.

You should also note that if you have a foster child the day care center is eligible for program benefits for the foster child regardless of the income of your household. Households with foster and non-foster children may choose to include the foster child as a household member, as well as any personal income earned by the foster child, on the same household application that includes their non-foster children. Please contact the institution for further instructions.

You should list the name of everyone who lives in your household, including all children, parents, grandparents and other relatives. The Department of Agriculture defines a household as a group of related or unrelated individuals (not residents of an institution or boarding house) who are living as one economic unit (i.e. sharing living expenses).

The income which you report **must** be the total gross income, before deductions, received by all members of your household last month (i.e. wages, welfare or retirement etc). Military benefits received in cash, such as housing allowance for military households living off base and food or clothing allowance **must** be considered as income. If you have a household member whose last month's income was higher or lower than usual, list that person's expected average monthly income.
